Dear Hon. Hain,

Dangal greetings!

Pamantasan ng Cabuyao (University of Cabuyao) is a premier higher education institution committed to providing quality education and producing value-laden and globally competent graduates that will bring pride and honor to the nation.

Internship is one of the most crucial requirements by the Commission on Higher Education for those who wish to graduate from their programs. The Student Internship Program aims to expose the students to the actual fields of work where they can apply and practice their theoretical knowledge obtained from the four corners of the classroom.

With this, we would like to humbly request your reputable department/company/institution to allow below list of students of the **College of Health and Allied Sciences under Bachelor of Science in Nursing** to undertake his/her internship this semester. He/she is required to render and complete **96 hours** of actual training, which requires him/her to perform duties and tasks related to the course.

List of Students:

1. **San Juan, Althea Marie N.**
2. **Tenorio, Keziah Beatrice M.**
3. **Tuazon, Yasmin Nicole P.**

Should there be any concerns, you may call us at 09498655247 or email us at pald@pnc.edu.ph.

We hope that this request will be favorably considered.
